Members Newsletter July 2021

PROBUS CLUB OF KAWANA WATERS, INC

Reflections for June

On behalf of the Management Committee I wish to extend our appreciation to members for completing the third survey relating to venue location, morning tea and meeting setup.

It has been at times a stressful period for all involved, especially for members of the Management Committee who have been aware of the feelings of members relating to a variety of issues. I thank them for supporting members in ensuring that all have the opportunity to express their viewpoints. Hopefully the time everyone has spent in completing the surveys and discussion surrounding the choices made by members will enable us to meet in an environment that is conducive to **Fun Fellowship & Friendship.**

The feedback provided to us on the survey forms have been and will be raised in ongoing discussions with Kawana Surf Club management to ensure that the needs of all our members are addressed. If you have dietary issues please let me know so that I can discuss the needs with the club so we can provide you with food that is in keeping with your needs. Additionally if you experience issues with air conditioning, sound and or access, please approach a member of the Management Committee. It is part of our role to liaise with the Kawana Surf Club Management in order to address issues that arise, especially as we settle into the venue. If you are unable to make contact with one of us, please use our Suggestion Box – either the physical one at meetings or digitally via the secretary.

Please note that commencing with the monthly meeting on July 13th all monthly meetings will be held at **KAWANA SURF CLUB 99 Pacific Blvd, Buddina**, the meetings will commence at 10am.
Please note there are two car parks at the club – members should use the **Coopers Lookout Car Park** as we have arranged access straight into the meeting area if you follow the concrete path past the play equipment.

All members are reminded that Kawana Surf Club is now utilising the Queensland QR App. The QR code and/or badge will be on display in the area where members sign in with the Registrar. If members can download the App onto their phones, you will be able to log into the club. If we can become efficient with this process hopefully we can return to pre COVID-19 club entry procedures. If you do not have the app and/or do not have a phone that supports the app, Mike Matthews (Registrar) will sign you in using his app. Or ask a fellow members to do so on your behalf.

Maureen's Reflections continued

Thursday 5th August is the date of the Seniors Day Expo at Nambour Showground. Probus clubs from the Sunshine Coast will be conducting a stall. If you are attending the Expo please drop in and say Hi – you might see one of your fellow members manning the Probus Stall.

Probus Day is on the 1st October. A Combined Sunshine Coast Probus Clubs luncheon will be on Tuesday 5th October at the Kawana Surf Club. More details later in Newsletter or speak to Mike Matthews and Anna Firmin who are on the organising committee.

House Keeping – with many members availing themselves of the opportunity to travel (at least in Queensland), members are reminded that if you are absent from one meeting you are required to put in an apology. If you are fortunate enough to be undertaking an extended trip, please request a Leave of Absence –this leaves you free to enjoy your trip without having to make contact with club personnel unless you want to. Unfortunately some members due to illness will find it necessary to avail themselves of leave of absence provisions. If you experience ill health or the after effects of an injury, please contact the Welfare Officer and/or a member of the Management Committee. If you need assistance in getting to club activities we should be able to assist you, so please just ask. Based on personal experience, I know that members are happy to assist not only for club activities **BUT** also for medical appointments – please communicate with us by picking up the phone.

Hope to see you at various club activities.
Please take care of yourself & let us know if you need support of fellow club members.

Yours in friendship, fun and fellowship.
Maureen Dunn
President

Meeting Protocols

Members are to notify the REGISTRAR Mike Matthews by email mikemat62@gmail.com by noon on the FRIDAY before the monthly meeting, if they are unable to attend the meeting.

The Late Show
The book chosen for June was written by American Crime writer Michael Connelly. A new character was introduced, Renee Ballard a female Detective Police Officer. "The Late Show" depicts the night shift in L.A.P.D Hollywood who are on duty 11pm until 7am.

Renee a very experienced detective had previously been downgraded to the night shift following a bad experience and history with her supervisor when they were alone. Her police partner had not supported her allegation of sexual harassment when investigated., subsequently Renee was moved as punishment.

One night she catches two cases she does not want to hand over to the day shift for investigation.

The brutal beating of a prostitute left for dead and the killing of a young woman in a nightclub shooting. Renee is determined to investigate these cases.

The story covers a number of serious crimes resulting in the death and destruction of criminals and innocent bystanders. Grim at times the story is lightened by Renee and her dog Lola and the surfing and beach episodes

Half of the members present considered the story slow initially, however enjoyed it to the conclusion.
A good read from a prolific crime author.

Congratulation Anna on receiving The Pat Hogan Award at Kawana Surf Club for your volunteering contribution

Guest speaker for our July Meeting
Tiaani Goble from biomiq.

"We are a scientific company based on the Sunshine Coast (in Coolum) which researches, develops, and produces bacterial-based medical treatments. We have a number of treatment lines from those currently used in our clinical trials for conditions such as Rheumatoid arthritis and Ulcerative Colitis, to our 'biomiq' product range for chronic constipation and bloating – all of which is based upon microbiome-research.

Cinema Saturday

Most Saturdays a group of Probus Members meet at either BCC Maroochydore or Kawana to enjoy each other's company and see a movie screening before 11am.

The movie goers are normally notified of the chosen movie Wednesday night or Thursday, with a meeting time in the foyer.

No need to RSVP just turn up by the allocated time. If you are interested in joining us please contact Mike 0416325763.

We normally have lunch after the movie at a venue near the cinema.

Club Kawana 10am

We will continue to play on the first and third Mondays each month.

UPDATE ON BOTTLE CAPS COLLECTION - Lyn Peck

Thanks to members for their ongoing contribution to this worthwhile task. Due to Covid-19 Envision Hands has paused the program for the time being and local exchange centres are no longer collection points for caps due to high contamination levels (eg. syringes in collections.)

HOWEVER, an environmental/recycling company in Brisbane, Ocean Crusaders (OC) has a program, CAPS CRUSADE, and details are on www.oceancrusaders.org where they turn caps into bricks for primary schools to build benches, shelters, cubby houses etc.

There is a collection point on the Sunshine Coast where OC pick up about every 2 months. In the past week I've made this contact who has collected my caps "stash" BUT as the website indicates there are requirements such as only the correct recycling numbers shown on the caps, any white inserts removed, washed of course and caps sorted by colours - see the chart below.
Any larger caps can go in recycling bins and please ask me if unsure.
So please continue to save milk, juice and water plastic caps and if sorting is not possible, I will continue to do this - sigh!!
