Information for Prospective Members

What is Probus?

Probus is all about Fun, Friendship and Fellowship. Membership of a Probus Club provides you with the opportunity to meet with other active retirees and semi-retirees on a regular basis and is a great way to meet new friends. The keys to enjoying membership are active participation in Club activities and contributing your skills, knowledge and experience to the functioning of the Club.

Our Club

The Probus Club of Kawana Waters is one of the oldest Probus Clubs on the Sunshine Coast, having been established in 1989. We pride ourselves on the extensive range of activities we offer to our members. These are both physical and mental and are all designed to meet the various needs of our members. More information can be found on our website (www.probuskawanawaters.com), our Facebook page and in our newsletters, back issues of which are available on the website. In addition to our website, newsletter distribution and all communication with members is conducted over the internet and payments by internet banking are encouraged.

Maximising both enjoyment and satisfaction

Members' enjoyment and satisfaction can come by sharing and learning by participating in interest groups and other Club activities. However, it can also come from contributing the knowledge and skills that they bring with them. While the Club is a member of the Probus Association of Queensland (PAQ) and an incorporated entity, we are entirely self-managed and thus need to meet a range of statutory, organizational and operational requirements.

Opportunities for contributing skills and knowledge to the Club's continued success range from serving in functional roles (such as Meet and Greet, Equipment Officer, Media Officer) and in varying levels of leadership roles (interest group convenors, activity coordinators, assistant management and Management Committee). This active participation in leadership both enables our members to derive a great deal of satisfaction from applying their prior experience and ensures that we continue to best meet the needs of all of our members by maintaining a strong and vibrant club.

What is next?

If you would like to learn more, complete an Expression of Interest Form and you will then be invited to attend 3 General Meetings and to sample some of our interest groups. Should you wish to proceed further, a Membership Application Form needs to be completed and your application will be submitted to the Management Committee for evaluation. Successful applicants are welcomed to the Club by being inducted at a General Meeting and they then have full access to all Club activities.
